Here at Friarage Community Primary School we provide a nurturing, caring and inspirational education setting and due to our popularity our catchment area covers right across Scarborough town and beyond.

Our values and ethos of **'together we can'** is firmly embedded and we are constantly told by visitors that our school has a real buzz about it. To be a colleague at Friarage you have to be caring, nurturing and have the highest expectations for our wonderful children.

2019/2020 was hugely exciting for our school and 2021/2022 will be even better. As the newest primary member of the Coast and Vale Learning Trust we are working closely with our sister school Newby & Scalby Primary as we share learning and build a primary hub our coastal area can be proud of.

All key areas of school improvement are being tackled, and we have a committed, talented and cohesive staff, delightful children and strong and supportive Governors – all of us united to build a school we can all be proud of.
