

Scalby School

February 2022

Year 11 Trial Exam Support Evening

Dear Parent/Carer

I would like to invite you to a GCSE exam preparation evening at Scalby School on Thursday 17th February at 6:00-7:00p.m.

Following this week's government announcement that GCSE examinations will be going ahead, we would like to invite you in person into school in order to help your child in their trial exam preparations which take place from Monday March 7th – Tuesday March 15th. These trial exams are for English, Maths and Science only. Trial examinations are a vital part in the process of preparing students for external GCSE examinations.

During the evening, there will be information delivered by the Head of Department for each of these subject areas regarding their specific trial exams. The presentation will include tips on revision techniques and planning, reducing stress, future choices and practices and will last approximately an hour. We will also share ways you can help support your child at home in order to help them succeed.

Refreshments will be available on arrival from 5:30p.m. and you will have the opportunity to speak with the Heads of English, Mathematics and Science as well as senior staff regarding how the school can help your son/daughter to succeed at this crucial point in the year, before the presentation starts at 6:00p.m.

We have also invited staff from the local further education providers, who we hope can attend and can provide a key insight into the rigor of education at the next stage.

If you wish to attend, could you please complete and return the reply slip to either **Mr Philliskirk or Mr Hutton by Tuesday 15th February.**

Yours sincerely,

Mr Jordan Philliskirk
Assistant Head Teacher
Raising Achievement and Standards

To Mr Philliskirk Name of Student.....

I confirm that I will/will not be attending the Y11 trial exam preparation evening.

Number of attendees.....

Signed.....
