## About Us

Here at Friarage Community Primary School we work to provide a warm and welcoming environment for all, where you feel like you are getting a hug when you walk in our doors.

Our values and ethos of 'together we can' are embedded in the positive energy we create and receive in those who learn and work here. Joining our team is about understanding the importance of nurturing, aiming high with the aspirations and dreams of our children, and providing an engaging curriculum that both promotes success and creates happy memories.

As an academy within the Coast and Vale Learning Trust we are working closely with our sister school Newby & Scalby Primary as we share learning and build a primary hub that our coastal area can be proud of. With access to the Teaching Alliance, based at Scalby School, we continue to rightly place staff development, training and resources at the heart of our journey, and provide you with the support, tools and guidance needed.

## Opportunity

We are looking to appoint a teacher for small groups across our school for years 1 to 6 students. You will be able to promote the effective learning, achievement progression, as well as educational, social and personal development of our children. We will expect all approaches to be consistent within the aims and goals of the school, with particular focus to the individual needs of our pupils.

You will have experience creating and delivering an exciting and personalised learning experience for our students, meeting and exceeding learning criteria. Organisation is key to monitor the progress of our pupils, and you will maintain an up-to-date knowledge and understanding of teaching areas and key intervention support for our children, provide clear goals, constructive feedback, and maintain progression records.

We are looking for;

- An experienced teacher who has an engaging and dynamic style of teaching, and uses appropriate teaching and classroom management strategies to drive a love for learning and fostering independence.
- Someone who has ambition to make sure our children achieve their very best, and has a developing record of raising standards and expectations.
- A teacher with a flair and passion for primary education who will embrace working and teaching within our 'family' – and bring new ideas and practices to engage both the children and the staff.

- An individual who will truly add value to our school and strive to think outside of the box.
- An individual that can work well on their own, but know when to ask for help and seek guidance openly.
