‘Working to Learn Together’

Here at Newby & Scalby Primary School we provide a vibrant and inspirational setting and due to our popularity our catchment area covers right across Scarborough town and beyond.

Our learning environment, outcomes and curriculum that is offered to our 419 children is second to none and we are a school with low staff turnover and high staff retention.

Our ethos is very much about our community ‘working to learn together’ and our staff are our greatest resource. We have invested in both our teaching and support staff teams which has placed us in a good position with regards to current educational challenges.

As the founding primary member of the Coast and Vale Learning Trust we are working closely with our sister school Friarage Primary as we share learning and build a primary hub our coastal area can be proud of. With access to the Teaching Alliance, based at Scalby School, we continue to rightly place staff development, training and resources at the heart of our journey.

Our Opportunity

Due to internal moves and investment we are looking to appoint a highly motivated colleague to join our school and work with our children and provide the support they need to be their best. Working in our school is incredibly rewarding as we all work together as part of ‘Team Newby’ enriching the education of our pupils. Our support staff are highly regarded and we pride ourselves on developing our support colleagues to excel and further develop their career through specialised training and career paths through to ATA, HLTA status and teacher training.

We encourage applications from candidates who have a passion for education and wish to work in a setting which offers reward and challenge and where no two days are the same.

- Be able to support in the delivery of high quality learning experiences for all pupils

We can offer you:
