Job Description and Person Specification	8-12
Application process and how to apply	13

Dear applicant,

Allow me to extend a warm welcome from all governors, staff and children of Newby & Scalby Primary School. I am delighted you have shown interest in joining us and I look forward to sharing with you what makes our school a very special place to work.

Our children are delightful, happy, confident and energetic. They are passionate about their learning, be it in the classroom or through other areas of our developed curriculum such as dance, art, PE and music.

Over many years together we have built a learning community that puts the whole child and their development, along with harnessing the skills of our staff at our very heart. You will be joining a school with low staff turnover and high staff retention and as Headteacher it is my job to make sure colleagues are supported and challenged to be lifelong learners.

Working at Newby & Scalby is incredibly rewarding. Due to our well-deserved reputation across the area we place huge importance on developing talent – and in many ways our ‘research school’ ethos has resulted in many staff being developed as a support professional. I still get an incredible buzz from seeing our children reach their full potential through our staff training and development focus.

This is an exciting time to join us. As the founding primary member of the Coast and Vale Learning Trust (along with Scalby School) our team are working in partnership with our sister school Friarage Primary to share, learn and create a primary hub our area can be proud of. Through our Trust we are able to access the support and resources from our Teaching School, which means as a staff member you have a wide range of colleagues, tools and resources to help you develop not just in the classroom but beyond.

I hope that you will take the time to come and see and experience for yourself the warm and welcoming atmosphere which makes our vision a reality.

Good luck with your application. I look forward to reading it.

Paul Davidson
Headteacher

Our staff

Maddie Blakeley is an Early Career Teacher at Newby and Scalby Primary School in Scarborough. She has worked at the school since June 2017.

What do you enjoy most about your job?

I don't think there is any job that can be as varied as teaching is. You can't beat working with children: getting to know them as people; sharing their hopes and aspirations for the future; celebrating their successes and watching them finally get something they have been struggling with. That is when you truly know you have made a difference. Finding a school where this ethos is shared and where children are the driving force is what I have managed to do and I work alongside an incredible group of dedicated people that share that same goal. Not only have I found a group of work colleagues but also a group of friends that support me and make me laugh often.

What's the best thing about the community that your school serves?

The community plays a large role in our teaching and learning and is a lovely area to work. We are lucky to work so closely with many services. Whether it be borrowing a book from the local library, visiting the local church for a tour of the war memorial or sharing harvest gifts with local residents, we gain a lot from this. Having open days and workshops means people are welcome to see how the school runs and how their children are getting on. It is a great way to get to know the school and teachers.

What would you say to a teacher thinking about moving to a school on the Yorkshire Coast?

I don't think you can beat working on the coast. Personally, I was brought up in Scarborough but after going to university in Lincoln and working in city schools and village schools I always knew that the coast would be where I ended up. Having the beach on your doorstep is ideal and I'm sure some of our children would agree, especially our Year 6s who have spent an afternoon surfing in the past with trained lifeguards. Trips to the beach and the local parks all add to the different experiences that children in our school are exposed to. We have a bit of everything that is only a walk or short drive away.
