Job Description/Person Specification	8-11

Dear applicant,

Thank you for your interest in joining the staff of Filey School.

At our school we know that it is the people that matter the most. We know that what we need to create is a climate and a culture that enables everyone to feel happy and safe in an exciting place to learn.

Our school has four new core values: Kindness, Respect, Integrity and Teamwork. Every member of our school is expected to try their hardest to live out these values every minute of every day.

We believe passionately in our students, we know that with the right support here, and at home, they can achieve great things. They have to believe in themselves and strive for success. This includes accepting the need for the highest standards of attendance, behaviour and always being ready to learn. We insist that every member of our school community works as hard as he or she can, without exception.

Our aim here is to provide all our learners with an exciting, coherent and inspirational curriculum taught by truly talented, professional and hardworking staff. We wish to create a culture that is inclusive, and where the individual and diverse talents of all our students are nurtured and celebrated.

We want to encourage every member of our school community to develop a love of learning. Our aim will always be to do all we can to enable everyone to reach the highest standards of which they are capable. We are committed to ensuring our students are happy, safe and have clear direction and support.

Self-belief, confidence and being proud of our own achievements are the keys to success. The best academic outcomes always occur where a true partnership has been established between home, school and the young person – all of us working together to strive for the best possible education.

I hope you will take the time to visit and see for yourself the culture and values of our school in action.

Good luck with your application.
