

Scalby School

being the best we can be

Dear Parents/carers,

I want to take this opportunity to invite you to a 'Preparing for Y11' Parents Evening on Tuesday 20th May 6-7pm. This evening will be held on our school site.

This evening is designed to give you information about your child's upcoming Y10 trial exams as well as providing you with information about their transition into Y11. It is part of a series of Y11 Parents Events that we run throughout Y11 in order to give you vital information that will help your child be successful in their GCSEs in the summer of 2026. There will also be an opportunity for you to ask any questions that you may have to our Senior Leadership Team (SLT).

As you know, your child is about to undertake their most important year in education to date. We are committed to helping support your child and also give them the best possible opportunities to succeed in their future. Scalby School is currently the 7th highest performing school in North Yorkshire and in the top 10% of all schools nationally. We would love to share the systems that work so well for us with you on the 20th May. You are welcome to bring your child to this evening, but it is not compulsory. The evening is designed to support you as a parent.

To confirm your place at the evening, please use the booking link below. This link will be on our school website and will also be sent out to you via the MCAS app.

Should you have any questions, please contact us and we will be happy to help.

I look forward to seeing you on Tuesday 20th May.

Yours sincerely,

Mr J Philliskirk
